...and all of our
volunteers and supporters!

Our mission is to raise awareness, provide training on mental health and wellness, help people navigate the system, and impact mental health policy and legislation.

We are thrilled to present ***The Ripple Effect*** awards, celebrating the people and organizations who have shown exemplary work in behavioral health in our Northeast Florida community over the last 12 months.

The winners today are in five (5) different categories. They include:

- **Innovative Programming**
- **Greatest Transformation**
- **Behavioral Health Champion**
- **Contest of the Heart**
- **Shining Star Award**

Thank you for joining us!
